NOT RETURNING

It is very important that you let us know by email, info@swim-stars.co.uk if you are not continuing your child's lessons next term so places can be offered to those on the waiting list, please don't assume that we know.

BANK TRANSFERS

All bank transfer payments must have a reference of your child's name, day they swim and pool which will be the first letter of the pool name. Eg; (A.N.Other/Mon/M for Midfield pool. We understand for longer names this may be more difficult however please do your best as this helps us reference your payment.

BADGES AND CERTIFICATES

The swimmers will be tested on their skills badges this term (This is a combination of technical swimming with different skills like treading water, picking up sinkers, somersaults, sculling, jumping in, all skills are suited to their level). If you would like their badge and certificate please put £3.50 in a sealed envelope with your child's name clearly written on as you would like it to appear on the certificate, also include the venue, day and time they swim on the envelope and post it into the box on poolside during your child's swimming lessons. Badge money needs to be brought in by Monday 14th March (last day to collect) so we have time for the order to be returned to us and certificates written out.

BLUE OVERSHOES AND HATS

Everyone who enters the swimming pool area and changing rooms must have blue overshoes already over their shoes or shoes removed. At the start of term please collect a pair of blue overshoes and keep them in your child's swimming bag for the term. Also children need to remove their outdoor shoes at the swimming pool entrance and not put them on again until they have exited the changing area. This includes parents and swimmers. Swimmers don't want to be getting changed in a muddy changing room so please take time to follow this rule. Also all children must wear a swimming hat to enter the pool.

PARKING

When swimming during the week you will need to park outside the school on the surrounding roads. The entrance to the school is situated at the top of Grovelands Road. Please wear your mask when entering the grounds of Midfield School. Masks should be worn throughout until you exit the school grounds by all adults unless you are exempt. Please be courteous to all the parents who are collecting their children from school and socially distance from others at all times. Please arrive no earlier than 5 minutes before your child's lesson is due to start and please leave the school grounds immediately after lessons and changing have taken place.

Please send an email to the address at the top of this page if you need to change days/times, if you have a problem, or are finishing with Swim Stars, feedback is always useful. Alternatively if you have any problems or queries do not hesitate to ask by phone or in person at the pool using the contacts at the top of the page. Lastly we'd like to take this opportunity to wish you all an Eggs-cellent Easter!

Happy swimming
