Dear Parents

Thank you so much for all your support this term with the different rules and procedures in place. We hope the swimmers are enjoying being back in the water as much as we love having them back. They are all making really good progress and we can't wait for you to see them again. We have put lots of precautions in place to keep them safe during the pandemic which have been set out by swim England and The Hollies. We are hoping all the restrictions will be lifted by September but please make sure you continue to follow these rules until we have permission to return back to the normal swimming structure. We really appreciate your support in what has been a difficult time for everyone and we hope we can continue to make changes towards getting everything back to normal as soon as possible.

Please provide your child's name on the back of the cheque or as a reference for bank transfers. (See below)

BANK TRANSFERS

All bank transfer payments must have a reference of your child's name, day they swim and pool which will be the first letter of the pool name. Eg; (A.N.Other/Sun/H) for Hollies pool. We understand for longer names this may be more difficult however please do your best as this helps us reference your payment.

BADGES AND CERTIFICATES

Swimmers are being tested for their swimming badges and will be awarded them this Sunday (18th) and next Sunday (25th) please bring the £3.50 cash per child in an envelope with your child's name on in capital letters as you would like it to appear on the certificate.

DRIVING INTO HOLLIES

Where possible you must always park in the Hollies car park using the Acacia Way entrance from White Oak Gardens. Registration plates will be noted by the Hollies management of all cars parked in incorrect areas. Please make sure you are returning to your cars whilst waiting for your child to have their swimming lessons and swimming siblings are not playing in the Hollies grounds. Please make sure you are maintaining a safe distance at all times in the car park when you are bringing your swimmers to the lessons and a face mask is being worn where applicable.

NOT RETURNING

It is very important that you let us know if you are not continuing your child's lessons next term so places can be offered to those on the waiting list. Please send an email to the address at the top of this page if you need to change days/times, if you have a problem, or are finishing with Swim Stars, feedback is always useful.

Alternatively if you have any problems or queries do not hesitate to ask by phone or in person at the pool using the contacts at the top of the page. Lastly we'd like to take this opportunity to wish you all a great summer. Let's hope the sun makes an appearance!

Happy swimming
